ABOUT US

LEADING THE WAY IN LOGISTICS SOLUTIONS

Founded by Mr. Naresh Choudhary in 2018, S N TRANS CARGO has built a reputation as a reliable and innovative road transport service provider. Located in Vapi, Gujarat, we specialize in a wide range of logistics services that help businesses across India grow and thrive.

We are committed to offering comprehensive transport services that ensure your goods reach their destination on time, every time.

OUR VISION & MISSION

OUR VISION:

To be the most trusted and innovative logistics provider in India, delivering seamless, reliable, and cost-effective transportation services.

OUR MISSION:

We aim to empower businesses with cutting-edge logistics solutions that drive growth, productivity, and customer satisfaction. Through our commitment to excellence, we ensure timely deliveries and unmatched customer service.

Core Values

Reliability

Always on time, every time, ensuring your goods reach their destination as promised.

Safety

Ensuring the utmost safety and security of your goods with our robust procedures and protocols.

Efficiency

Streamlined processes and optimized routes that significantly reduce transit time and operational costs.

Customer-Centric

Tailored services that precisely meet your unique business needs and exceed expectations.

Integrity

Transparent business practices that build and maintain trust with all our partners and clients.

OUR SERVICES

Comprehensive Logistics Services

S N TRANS CARGO offers a diverse portfolio of services designed to optimize your supply chain and streamline logistics operations across various sectors.

Full Truck Load (FTL) Services

Dedicated transportation for large shipments, ensuring efficient and direct delivery without intermediate stops. Ideal for businesses with substantial cargo volumes.

Part Truck Load (PTL) Services

Flexible and cost-effective solutions for smaller consignments, where your goods share space with other shipments. Perfect for businesses seeking economical transport options.

Express Delivery

Fast and reliable transportation for urgent deliveries, ensuring your time-sensitive goods reach their destination promptly and securely.

Import & Export Services

Streamlined international logistics with comprehensive customs clearance, handling all aspects of cross-border movement for seamless global trade.

Custom Solutions

Tailored services developed to meet specific business and logistical requirements, providing personalized strategies for unique challenges.

Our Fleet & Infrastructure

We invest in state-of-the-art vehicles and technology to ensure the highest standards of service:

Fleet Size:

21 trucks, each equipped with GPS tracking.

Vehicle Types:

32-foot trucks, close-body trucks, container trucks, ODC (Over Dimensional Cargo), flatbeds.

Advanced Technology:

Real-time tracking for visibility and efficiency.

Maintenance & Safety:

Regular inspections and updates to ensure reliability and safety.
